

PRADHAN PUBLIC SENIOR SECONDARY SCHOOL

NH-2 RAIPURAJAT ,SINGNA (AGRA) -9627279988,9690499099

LIST OF PRACTICALS (PHYSICS) 2020-21

Experiment-1

To determine the resistance of the given wire using meter bridge.

Experiment-2

To determine resistance per cm of wire.

Experiment-3

To verify law of series /parallel combination using meter bridge.

Experiment-4

To find focal length of concave mirror.

Experiment-5

To find focal length of concave lens.

Experiment-6

To find focal length of convex mirror.

Experiment-7

To find focal length of convex lens.

Experiment-8

To determine angle of minimum deviation of glass prism.

Note: - if any problem regarding it contact in school campus.
